

# *Smell of cat urine*

*That's one sign of Meth use in your neighborhood. Here are more:*

- Blocked windows*
- Frequent visitors*
- Frequent deliveries*
- Trashed drain cleaner and paint thinner*
- Trashed needles or razorblades*
- Leftover spoons, needles, glass or razor blades*

## **END METH**

*If you see these signs, say something. Call your local law enforcement or go to [drugfree.org/METH](http://drugfree.org/METH)*
